Hidden Gem Claire

GARSINGTON'S Claire Green has been named the winner of the Hidden Gem Management Award at the 2019 UK Direct Selling Awards.

The national awards, which were held this year at the Belfry Hotel and Resort, are hosted by the Direct Selling Association.

Ms Green, who is operations director at premium haircare products company MONAT, was one of the company's first employees when the brand was launched in the UK in 2017.

She was nominated by the firm's UK and Europe managing director, Ros Simmons.
